OBJECTIVE

To start my career in a reputed organization where I can utilize my academic knowledge and technical skills, learn emerging technologies, contribute effectively to team objectives, and grow as a skilled professional while adding value through dedication, innovation, and continuous learning.

SKILLS AND INTERESTS

Programming Languages	C, Java, JavaScript
Web Technologies	HTML5, CSS3, Node.js, Express.js, React.js
Database	SQL, MongoDB
UI/UX Design	Figma, Canva
Version Control System	Git, GitHub
Soft Skills	Data-driven decision making, Project ownership, Time Management

EDUCATION

Vasireddy Venkatadri Institute of Technology	Aug 2023 - Jun 2026
Bachelor of Technology in Computer Science and Engineering	

EXPERIENCE

NPTEL Winter Intern IIT Ropar	Dec 2025 - Jan 2026
• Completed a structured internship program covering MERN Stack fundamentals. • Gained strong conceptual understanding of full-stack web development workflows. • Learned REST API architecture, client-server communication, and HTTP methods. • Understood MongoDB data modeling, CRUD concepts, and backend request handling. • Understand LLM's, Web sockets, Learning modals.	
Web Developer Intern Jathin software Pvt Ltd	Dec 2024 - June 2025
• Developed responsive web pages using HTML, CSS, JavaScript. • Integrated APIs and enhanced UI for improved user experience.	

CERTIFICATIONS

- **Programming in java** - IIT Kharagpur (NPTEL)
- **Salesforce AI Associate** - Salesforce
- **Frontend Development** – Great Learning

PROJECTS

Smart Bookmark Organizer – AI-Powered Browser Extension
• Automatically classifies and organizes bookmarks into relevant folders • Uses keyword analysis and intelligent rules to make decisions • Mimics agent-based automation by acting independently on user actions
InnoConnect – AI-Powered Innovation Collaboration Platform
• ML-based comment filtering using NLP • Autonomous moderation without human intervention • Improves quality of interactions between innovators and startups

POSITIONS OF RESPONSIBILITY

President of Institution's innovation Council (IIC):
• Led and organized campus innovation and entrepreneurship events by coordinating with faculty, students, and external mentors to conduct workshops and competitions.
Member – Association for Computing Machinery (ACM):
• Active member of the ACM Student Chapter, participating in coding workshops, programming sessions, and technical discussions to strengthen problem-solving, data structures, and software development skills.

HOBBIES AND INTEREST

- Exploring AI and emerging technologies
- Solving logical and programming problems
- Designing simple UI layouts in Figma/Canva
